

Event, date and time: ERS, Tuesday June 20th, 17h30 – 18h30

Location: Hall 9 (5th floor) – capacity: 250 people

Symposium Title: Innovations in ENT – Novel approaches and the future of ENT surgery

Description: This symposium will provide a space for ENT surgeons to exchange ideas on how ENT medicine is changing and how we can use novel approaches to better treat patients and address healthcare challenges in Europe. Our panel will discuss their own experience, case studies and trends in ENT medicine.

Faculty: We will have 3 HCPS we are confirming names:

Professor Manuele Casale – CONFIRMED

Dr. Benny Blomkvist – CONFIRMED

Professor Carl Philpott – CONFIRMED

1 hour Symposium

Speaker	Topic	Time
